Dallas Theater Center

Dallas Theater Center's Education Department is able to provide a limited number of need-base scholarships each year. Both full and partial scholarships are granted.

All parents/guardians are asked to state a dollar amount they can contribute to their child's tuition. If your child receives and accepts a scholarship, this amount must be mailed to DTC's Education Department as a non-refundable deposit. We have very limited funds. Please ask for only as much assistance as you need, so as many young people as possible can benefit from these scholarships.

In accepting a scholarship the student and parent/guardian agree that the camper will attend the entire session.

Application Process

- Complete the scholarship application form.
- Attach proof of need.
- Submit a scholarship recommendation form to your child's teacher.
- Return all materials to DTC's Education Department. All materials must be received 4 weeks prior to the class start date.
- Applicants must accept or decline their scholarship within one week of notification.
- Applicants on the waiting list will be notified of their final status the Friday before class begins.

We also offer payment plans as another type of financial assistance.

This option is available to any families who prefer to split their balance into two or three installments. No application is required; if you would like to arrange a payment plan simply contact us at summerstage@dallastheatercenter.org.
