ABOUT DALLAS THEATER CENTER

One of the leading regional theaters in the country and the 2017 Regional Theatre Tony Award® Recipient, Dallas Theater Center (DTC) performs to an audience of more than 100,000 North Texas residents annually. Founded in 1959, DTC is now a resident company of the AT&T Performing Arts Center and presents its Mainstage season at the Dee and Charles Wyly Theatre, and at its original home, the Kalita Humphreys Theater. DTC is one of only two theaters in Texas that is a member of the League of Resident Theatres, the largest and most prestigious non-profit professional theater association in the country. Under the leadership of Enloe/Rose Artistic Director Kevin Moriarty and Managing Director Jeffrey Woodward, DTC produces a seven-play subscription series of classics, musicals and new plays and an annual production of *A Christmas Carol*; extensive education programs, including the Award-winning Project Discovery, SummerStage and partnerships with Southern Methodist University's Meadows School of the Arts and Booker T. Washington High School for the Performing and Visual Arts; and many community collaboration efforts with local organizations. In 2017, DTC launched Public Works Dallas, a groundbreaking community engagement and participatory theater project designed to deliberately blur the line between professional artists and community members, culminating in an annual production featuring over 200 Dallas citizens performing a Shakespeare play. Throughout its history, DTC has produced many new works, including recent premieres of *Miller, Mississippi* by Boo Killebrew; *Hood: The Robin Hood Musical Adventure* by Douglas Carter Beane and Lewis Flinn; *Bella: An American Tall Tale* by Kirsten Childs; *Clarkston* by Samuel D. Hunter; *The Fortress of Solitude* by Michael Friedman and Itamar Moses; *Giant* by Michael John LaChiusa and Sybille Pearson, and many more.

As a member of The League of Resident Theaters (LORT), DTC operates under the LORT agreement with Actors' Equity, the Stage Directors and Choreographers Society and United Scenic Artists.

MISSION STATEMENT

The mission of DTC is to engage, entertain and inspire our diverse community by creating experiences that stimulate new ways of thinking and living. We will do this by consistently producing plays, educational programs, and other initiatives that are of the highest quality and reach the broadest possible constituency.

DIVERSITY AND INCLUSION STATEMENT

Dallas Theater Center strongly believes that an effective workforce includes employees from different and diverse backgrounds and experiences that together form a more creative, innovative, and productive environment. As a leading national theater, DTC recognizes that building an equitable, diverse and inclusive environment is the key ingredient to its relevance and sustainability in the community it serves.

SUMMARY

An active member of Dallas Theater Center's production department, the Assistant Head of Audio & Video is responsible for the daily implementation and execution of audio and video designs for all DTC productions and programs. They effectively install and maintain systems and execute audio mixes while ensuring that high artistic standards are met at all times.
